

MAVRON, INC.

PTV-400

Prisoner Transport
Standard Length Chevy or GMC
Cargo Van with *Drivers Side* cargo door
By MAVRON, INC.

- All Aluminum Construction
- Durable
- Easily Cleaned & Disinfected
- Quickly Installed
- Transferable to a new vehicle
- 12 Prisoner Capacity

The PTV-400 is designed to take advantage of Chevy and GMC's unique *driver's side* cargo door.

This allowed MAVRON to design a 4 compartment vehicle with no compromises and give you capacity and segregation.

All Bolt-Together Modules are pre-assembled in our factory to insure a proper fit. The unit may then be shipped to you for self-installation or installed at MAVRON.

800-551-1498
